# VANCOUVER INTERNATIONAL TAP DANCE FESTIVAL

## Imagining Home

Home to the VTDS is much more than a building of bricks and mortar. It is, in fact, a home in the finest sense of the word, revered, welcoming and vital to well-being.

It's been a home away from home to more than 200,000 kids who have ventured through the doors, mostly from Vancouver's Eastside. The location has housed a dance studio for 65 years, cherished as the place that provides and nurtures an invaluable sense of belonging. Ours' is one of those increasingly rare spaces to practice and perfect the joy of artistic experience, integral, if not essential to developing human potential.

We want and need to stay right where we are, in this neighbourhood. It's important. We provide a full and growing roster of vibrant world-class dance training which is in very high demand. There are exciting performance opportunities as well, in an area of the city that has no other arts and cultural organization dedicated to delivering quality programming-for residents or others who want to join in.

## Imagine.

### NO ARTS AND CULTURAL ACTIVITY in this huge neighbourhood!

No child is left standing outside the VTDS door, looking at the sign and peering through the window, wondering and dreaming what it might be like to actively participate in the wonders and joys of dance. Here at our home, no money does not mean no dance. At VTDS everyone is welcomed and we find a way to make it work for every child.

Imagine a space where no boundaries are set on burning desire, where a keen interest is kindled and the joy of passion becomes hot. Our students grow with us. They not only become members of the tap community but also better citizens in the larger community.

Art forms - like any other human activity - progress when talented innovative people have access to essential spaces and expertise, and spend time studying and honing their craft. Athletes need gyms and fields- ice skaters need ice. Tap dancers need wood.

We provide that essential time on wood that supports the development of Vancouver's rapidly expanding tap scene. Classes are offered to all ages and skill levels. Dozens of our students walk to our studio. And 300 dancers attend our Academy, united as one in a passion for the art form of tap dancing.

VTDS is home to Vancouver's exciting and rapidly expanding tap community. We continue to believe and to provide inestimable opportunities to teach and rehearse, to move an exciting and popular art form forward, to create, and to build community.

At VTDS it all happens right here, at home and we need your help. We are buying this wonderful space, for the community and we ask that you find a way to contribute to our campaign "Imagine a Home".

All donations receive a charitable tax receipt. Donors contributing up to \$999 will have their name permanently posted to our "Wall of Fame" and donations \$1,000+ will be awarded a star with their name affixed to one of the "Tap Boardwalk" squares bordering our studio floor.

This is a major event for the tap community, securing a cultural space dedicated to tap dance. "Imagining a Home" will become a reality with your support.

### STUDIO / TEACHER / DANCER DISCOUNT PACKAGES

We have put together studio/teacher and dancer discount packages to support access to the best tap dance teachers and performers in the world. The packages are activated with a minimum of 45 classes - for example, if you enroll 5 students in 3 classes each over the 3 day duration this is a total of 45 classes. Discounts apply to students and teachers.

#### PACKAGES

45 classes or more - receive a 10% DISCOUNT

90 classes or more - receive a 15% DISCOUNT

#### ADDITIONAL DISCOUNT FOR TEACHERS

For every 15 classes your dancers are registered in, the teacher receives **ONE FREE WORKSHOP.**

*Discounts only apply to class fees.*

**PLEASE NOTE: Studio registrations must be submitted all together.**  
**Contact: Anna Kramer for discounts.**

**Thank you! VTDS acknowledges the support of...**

### Dr. Jeni LeGon Scholarship Fund

In honour of Dr. Jeni LeGon, Ph.D., VTDS has established a scholarship fund to cover class fees. Limited scholarships are available. Please contact Anna Kramer for a scholarship application form. Application deadline: 06/30/11.
