## A few words about our camp...

Get ready to put on a shoe and hit some wood! The Vancouver Tap Dance Society has created a program with tap dance at the core of the curriculum that includes the introduction to Hip Hop, Jazz and Stage. Learn or improve your tap skills. Get in the groove with some hip hop. Explore theatrics with a taste of our stage program. Your camp coordinator Kristina will guide you through the classes. This is a wonderful chance to sample a few forms of dance.

## Faculty

Kristina began performing at a young age and soon developed a passion for the stage. She was seen as a featured tap dancer in the Opening Ceremonies for the 2010 Winter Olympics and will be seen in Theatre Under the Stars' production of Singin' in the Rain this summer. She performed in Anything Goes with the Metro Theatre and 42nd Street with Royal City Musical Theatre. Kristina was an original member of Vancouver's Beat Feet Divaz (tap and hip-hop fusion company), and has been a performer at many notable events including multiple LA Tap Festival All-Star Tap Concerts, the Vancouver Tap Festival's "Tap Passages," numerous Vancouver International Tap Day Celebrations, and "For the Luv of It." In 2005, she won a silver medal with the Canadian National Tap Team at the World Tap Dance Championships in Riesa, Germany. Kristina has studied with and been heavily influenced by many tap masters such as: Dr. Jimmy Slyde, Arthur Duncan, Dr. Jeni LeGon, Dr. Harold Cromer, Diane Walker, Dormeshia Sumbry-Edwards, Jason Samuels Smith, Chloe Arnold, Ivery Wheeler, Ted Levy, Michelle Dorrance, Heather Cornell, and Chester Whitmore. She is a passionate dancer and teacher who shares her love for the art form every chance she gets!
